THE DOCTOR WRITES

My name is Dr Caroline Ward and I have been a registrar (in other words, a GP in training) at Great Bedwyn for the last 9 months, and am due to complete my time here in December 2015. As part of our training, registrars do regular shifts in the "Out of Hours" service. Most illnesses can be, and are dealt with, very effectively in general practice, and GPs see over 90% of all the patients who come into contact with the NHS each year (despite receiving less than 8.4% of the entire NHS budget). Other than A&E, are you aware of the medical services available to you locally when the surgery is closed?

Wiltshire medical services operate an emergency GP service in the evenings, overnight and all weekend. This means that if you are ill, you don't need to wait until the surgery reopens to gain access to medical advice and treatment. You can access this Out-of-Hours (OOH) service by dialling **111** and several things may happen as a result. You may be given medical advice over the telephone, or invited to see a GP or nurse at the OOH base at Savernake hospital by appointment. Occasionally if the call involves a frail or housebound person, they may even be offered a home visit.

Please do be aware that the doctor or nurse will have no access to your medical records so if possible, do try to have a list of any current medication to hand as you are likely to be asked about this. The OOH service will always contact us and give us a summary of any treatment or advice you have been given, although this may take up to 48 hours to reach us.

The OOH GP service does not replace the ambulance service so if someone is seriously ill or injured, always call **999**. Examples of when you might dial **999** include (but are not limited to) chest pain, difficulty breathing, unconsciousness, severe blood loss, severe burns or scalds, choking, fitting, drowning or severe allergic reactions.

So don't suffer in silence when the surgery is closed, just dial **111**

Wilton Cricket Club – 2014 Season Update.

Wilton CC has had 16 games so far this season. Of those only 2 have been called off by rain and out of the remaining 13 we have won 5 and lost 8. Unfortunately this record doesn't do the team justice. Almost all of our games this year have been incredibly close with most games going down to the wire! We have had 30 different people represent the club this year ranging from 15 – 72 yrs old!

Highlight of the year so far has been Wilton CC retaining the Chute 6 aside completion without losing a game (the trophy for which is proudly on display in the Swan Inn!). In addition we made it to the final of the Aldbourne 20/20 competition, but unfortunately this year we did lose the Shalbourne Test Match for the first time in 4 years. We will have to win it back next year!!

We have had numerous excellent individual performances, specifically Nick Hebden who is averaging over 80 runs. We still have 3 games remaining this season and are always happy to see new faces at games or practice (nets are opposite the Swan and held most Fridays from 6pm).

Anyone who wishes to play cricket in a fun and friendly environment please contact Ben Fleckney on **07545 619431**

Service of Remembrance and Commemoration

On Sunday 3 August, the Church of St Nicholas in East Grafton was attended by approximately 350 people to commemorate the Centenary of the start of the First World War and to pay tribute to those who went forth from the Pewsey Vale and did not return.

The service was magnificent, with music provided by a brass quintet from the Band of 'The Rifles' and singing led by the wonderful voices of The Bedwyn Millennium Choir. Tributes to the 'Fallen' were made as the congregation gathered around the War Memorial. Following the Last Post, traditional period of silence and Reveille, children from all parts of the Deanery, expertly and very reverently laid flowers in remembrance. The event was concluded by a short concert provided by The Band and Bugles of 'The Rifles' which was thoroughly enjoyed by all.

Michael Walsh and the organising committee wish to thank everyone for their most generous donations in support of The Rifles charity CARE FOR CASUALTIES which finally totalled £3425.
