

# COMMUNITY NEWS

Spring is just around the corner and lighter evenings are on their way with the clocks going forward on 29 March as British Summer Time theoretically begins. The snowdrops have already sprung up with the daffodils and other bulbs starting to poke their way through the ground and with buds appearing on the trees and bushes, it will soon all be green again. An ideal time to join the Big Tidy Up! What about investigating the Young people's forum too, see page 2 for details?

At the Mothering Sunday service at 11 am on 15 March, all the Mothers, Guardians and Grandmothers will be the lucky recipients of celebration posies. Good Friday this year falls on 3 April, Easter Monday on 6 April, and don't forget the annual Sunflowers and Wexcombe Egg Hunts. The season opens on 4 April for both the Wilton Windmill and Crofton Beam engines. Please note that the mobile library dates and times are on page 4 this month.

## Spring? Then it must be time for ...

## Grafton and District Horticultural Society

On Wednesday 18 March 2015 the Grafton and District Horticultural Society will start its programme for this year with the AGM followed by a lecture on PRUNING SHRUBS AND TREES by Ray Broughton, who is one of our favourite speakers. This will be a practical session and should be extremely useful at this time of year.

Our programme consists of 4 evening lectures and 4 outings in private cars to visit private gardens within an hour's drive from Grafton gathering for lunch beforehand near the garden to be visited. In July we visit a local garden in the evening followed by our Summer Buffet Supper in the Hall and we finish our year with our Christmas party.

Our meetings are always on the 3rd Wednesday of the month. If this sounds good to you, why not come along on the 18th. You will be most welcome.

Marijke Craig Chairman GDHS

## News In Brief

### Getting Online - Digital Volunteers Needed

Wiltshire Council is looking for people to join their team of volunteers, known as Digital Champions. The team works with people of all ages on a one-to-one basis with individuals or groups, to give them confidence in using computers, relevant to them and their lifestyle. It could be from helping people use Skype to keep in touch with their family, checking details of local events or organising a weekly delivery of food from their grocery shop. If you would like to learn more or join the team, please call **01225 713329** for further information or go to [www.wiltshireonline.org/index.php/volunteering](http://www.wiltshireonline.org/index.php/volunteering)

### Garden Waste Collections

You will recall that last year Wiltshire Council asked our views on garden waste collection. Due to central government cutting the councils funding by £15M for the year 2015-2016, they are now needing to find many cost-saving solutions. Around 100 areas have been identified where these savings can be made and, unfortunately, one of these means that residents are now to be charged for collection of their garden waste (our green bins). It is thought the cost could be around £40 a year per household.

### Wiltshire Car Share

Seeing the same car travelling the same way as you each day on your route to work? Have you also thought about joining up for a Car Share? Commuters across the Parish could benefit from saving fuel, parking, making new friends and helping the environment. In fact, you don't even need to have a car to join up! If you think that you could benefit from this service, take a look at <http://wiltshire.liftshare.com/>. Alternatively, if you are a business and would like to take part and receive promotion material for your workplace, email [connectingwiltshire@wiltshire.gov.uk](mailto:connectingwiltshire@wiltshire.gov.uk) for more details.

### Get Wiltshire Walking

Would you like to meet new people, find new places to walk? Groups led by trained leaders meet every week for walks of about an hour long. It doesn't matter what your fitness level is, you can select one relevant to you; it is also a great way to keep you active and motivated. If you would like to learn more and find a group local to you, visit [www.wiltshire.gov.uk/wiltshirewalking](http://www.wiltshire.gov.uk/wiltshirewalking)

### Road closures

10 March starts a 2 week period when the roads between the A338 and Wilton will be closed for resurfacing. Exact details of diversions will be sign posted on the relevant roads as normal.

### The church of St Nicholas graveyard

As graveside flowers and wreaths are replaced, these are sometimes simply left in a corner of the graveyard where they pile up, become unsightly and are not easily cleared.

At the side of the church are 2 green bins for garden waste and a black bin for paper, cellophane and plastic etc. Please help to keep the area clean and tidy for all, and utilise these.

### Grafton Parish Council

The Parish Council would like to extend their sincere thanks to Jamie Pearson who has resigned from the council after many years of service. Jamie has been heavily involved in a number of important projects within our Parish including, amongst others, the rebuilding of the Coronation Hall, the playing fields and finance. The Council would like to express their gratitude for all Jamie's contributions to the community and wish him success in his future ventures.

If you would like to contribute to our Parish and are interested in becoming a Parish Councillor then please email [clerk@graftonparish.com](mailto:clerk@graftonparish.com) for information.

#### Second hand books for Bedwyn school

Thank you so much to everyone who donated children's books to the second hand sale at Great Bedwyn Primary School. The book sale was held to mark World Book Day and to encourage a love of reading.
